If you care ... have a voice

**Southgate District Civic Trust is your Civic Voice.**

We have been an active *campaigning* society, working to enhance the environment around Southgate for over 50 years.

Southgate is now about to change to meet a need for housing and jobs that will be provided through sustainable redevelopment of sites around transport nodes as defined in the draft **Enfield Local Plan**.

# What are we doing?

## Southgate Office Village – a Community View:

A Community Voice Event on Civic Day Saturday 22<sup>nd</sup> June.

There is a plan to rebuild **Southgate Office Village** as a mixed-office and housing development, with several tall buildings, including a 17-storey tower.

SDCT see this as a key location for Southgate, and want to give the people who live, work, or have an interest in Southgate the opportunity to discuss what you could support on this site.

We want the community to be at the heart of determining the future for Southgate:

Join us to share your thoughts and have your say on how you believe the Southgate Office Village site should be redeveloped. This is an opportunity to discuss what **you** think should be on the site.

## Where is Southgate Office Village?

On Chase Road next to the Hart pub backing onto Park Road and the railway line by M&S.

## Want to join in?

This event is free and open to everyone living or working in Southgate or who has an interest in Southgate's future. It is independent of the council and developers and will be facilitated by **Civic Voice**.
